GUARANTEE

All trees and plants raised in our nursery are guaranteed true to name as far as any reliable nursery can do so, and every possible care is taken to prevent mistakes. Should any mistakes occur, however, we agree, upon proper proof being made, to replace any tree that may not prove true to label, free of charge, or refund to the purchaser of such trees the original cost of trees. It is hereby understood and agreed between purchaser and ourselves that we are not to be held liable for any greater sum. We solicit your patronage, but cannot in justice to ourselves, accept orders on any other terms.

All orders should be plainly written on a separate sheet of paper and not mixed up in the body of the letter. This prevents mistakes in booking orders. Advise us plainly how you wish us to ship—by freight or express. Also state route. Otherwise we will use our own judgment in forwarding.

Parties unknown to us must accompany their orders with a remittance or furnish satisfactory references.

Articles mentioned in the list will be furnished at prices named as follows: Five at the 10-rate, 50 at the 100-rate; 500 or more at the 1,000-rate. Less than five of a variety at the single rate. BECKMAN BROS.
